Dear Erica,

On behalf of the African Wildlife Foundation (AWF) trustees and staff, thank you for Arvid Nordquist's recent contribution of \$12,500, which we received via wire transfer on December 8, 2016. AWF is thrilled to have this support for its efforts to protect key elephant populations in Tanzania, and is very grateful for Arvid Nordquist's total contribution of \$25,000 in 2016 for our elephant conservation programs.

Over the last five years Tanzania's elephant populations have plummeted by over 60% due to illegal poaching for their ivory tusks. AWF has been working to stop the killing in Tanzania by bolstering the capacity of rangers and scouts in the Selous-Niassa ecosystem, Ruaha-Rungwa ecosystem, and Maasai Steppe ecosystem. In Selous-Niassa, AWF's support for aerial surveillance, anti-poaching rapid response operations, and other law enforcement activities resulted in 85 arrests, the seizure of 53 firearms, the removal of 467 snares, and the confiscation of 4 ivory tusks. In the Ruaha-Rungwa ecosystem, AWF's support for the Tanzania National Parks Authority has helped to train and equip 43 anti-poaching rangers, who have since located 8 poachers' camps and arrested 11 suspected poachers. In the Maasai Steppe ecosystem, AWF is supporting a team of anti-poaching scouts at the Manyara Ranch Conservancy, and these scouts ensured that not a single elephant was poached at the conservancy this past year.

These achievements would not have been possible without the generous support of Arvid Nordquist, and many other donor partners.

Erica, thank you again for this wonderful support. I hope you enjoy the holidays, and I look forward to catching up in the new year. Please contact me at +1 202-939-3338 or awilson@awf.org with any questions.

Sincerely,
